## MISSING CLASSMATES LIST

---

We've been fairly successful so far, but we need your help. Following is a list of 11 of our classmates that we have been unable to locate. Most of them have been "missing" since our first reunion in 1972, but we're determined to find them. If you have **any information** about one or more of these lost '62 classmates, we need to hear from you. Send a message to one of the committee members or call Dick Luff (his cell number is 440-725-2848). Anything you can tell us might help us to locate them.
